# *Foreword*

The annual staff would like to express their sincere appreciation for the co-operation given us by each faculty member and student in making our yearbook possible. If the pictures we have chosen will help to make your memories of your school years more vivid throughout the passing years, then our purpose in publishing this annual has been fulfilled.

## SUPERINTENDENTS MESSAGE

This year's "Footprints" is your souvenir of the high school events of 1960-61. Through the years as you look back at this book, you will be reminded of your many pleasant associations. Your worthwhile experiences will linger with you throughout your life. This has been a great school year and a happy one. Each student in high school has made a contribution to the successful year which we have had.

To the seniors I want to wish each of you success and happiness through the years. I want you to know that you are always welcome to come back home and visit in the school. I also want you to know how much we, who are associated with the Hardin High School, appreciate the opportunity of serving you and of having had you as a student.
